Dear Mr. Bernal:

EPA has reviewed the Navy's revised submittal for PCB Confirmation Sampling for Investigation Area A-1 for Mare Island, received on 1/4/99. These sites have been reviewed and based on the additional sampling completed in August 1998, EPA has no further comments. No additional sampling is required. If you have any questions, I can be reached at (415)744-2368.

Sincerely,
